

Free Online Workshops

Global DecisionMaker

Decide with Confidence

Log on to our **FREE** online workshops to learn how to maximize the power of Global DecisionMaker and increase the value of your investment.

These online Workshops will help you:

- Begin using Global DecisionMaker immediately so that you can make real-time decisions
- Implement your risk policy within the Global DecisionMaker application by creating and editing your customized rules
- Administer your policy by establishing security and access privileges for the users within your business
- Use D&B's Small Business Risk Account Score – *powered by Fair Isaac* within GDM

Who will benefit from these Workshops?

All new users, as well as existing users who would like a refresher on the Global DecisionMaker application.

Monthly Schedule of our Workshops offered...

WORKSHOP	DAY/TIME
GDM Decision – Making Real Time Decisions with Global DecisionMaker	Every 1st Tuesday at 1:00 pm EST
